Nature of Contract:

Since 1997, the Department of Aging and Adult Services (DAAS) has had the responsibility to administer community based programs such as the Alzheimer's Day Care and Brown Bag (disbursement of surplus and donated food) programs. Prior to 1997, these programs were administered by the California Department of Aging (CDA) but in order to allow for local need assessment and better service delivery, responsibility was delegated to the County. In 1998, due to the success of the administration of the above referenced local programs, the Linkages (matching/linking clients to required services), Respite, Senior Companion, and Health Insurance Counseling and Advocacy Programs were also delegated to the County. As of 1998, the County has received funding for these programs annually. Funding has been renewed annually based on DAAS' satisfactory performance and meeting program goals.

Approval of Amendment No. 1 to County Contract No. 02-761 will allow DAAS to receive an additional \$5,816. These funds will be used for administrative costs, to increase direct services provided by DAAS, and also provide a slight increase in funding to the Senior Companion Program.
